

# Live Tool Repair

## By Planet Products

---

**Planet repairs all types of VDI driven tools:**

- ◆ No Charge for inspection & evaluation
- ◆ Fixed price repair quote
- ◆ Quality replacement parts
- ◆ ISO 9001 certified quality system

We not only repair other live tools, we design, build and use our own. Planet has patent pending live tools available for most VDI interface turret lathes. Planet tools are designed for stable temperature, allowing longer life and accuracy.
